ABOUT SIMULATOR

INDIA'S FIRST BIKE RACING SIMULATOR

CRA - E Sport GP-1

Earlier in India, Motorsport Athletes were facing difficulties on practicing different circuits

With different motorcycles in terms of Track availabilities.

Our Founder Mr. Tharun Kumar S initiated the idea of developing & manufacturing of Bike Racing Simulator in India.

Our Team began the journey of developing the simulator from 2018 onwards. After a year of Research and Development, CRA - E Sport GP -1 was launched on 15th Feb 2020 @ Kari Motor Speedway Coimbatore.

CRA - E Sport GP -1 is designed in the aim of developing riders to ride on different circuits in the world, at an affordable price, and train their body and mind.
